

## WALSALL BROWNFIELD LAND REGISTER (December 2017)

To enable the register to be viewed online and printed, certain fields required by the Brownfield Land Regulations and/or the Data Standards have been omitted from this version where the details for all sites are identical. These are as follows:

OrganisationURI	The URI for Walsall is <a href="http://opendatacommunities.org/id/metropolitan-district-council/walsall">http://opendatacommunities.org/id/metropolitan-district-council/walsall</a>
OrganisationLabel	This is 'Walsall Council'
PreviouslyPartOf	As this is the first edition of the register, no sites have been sub-divided so this field is blank
SiteplanURL	A plan of Walsall showing all the sites on the register is attached below. We hope to produce an interactive map that will allow the sites to be viewed more clearly
CoordinateReferenceSystem	All sites use the ETRS system, which is a version of longitude and latitude
Deliverable	This is 'yes' for all sites on the register
PlanningHistory	Many sites in Walsall have a complex planning history so it is not possible to provide this detail in a spreadsheet.
ProposedForPIP	No sites are currently proposed to be entered in Part 2 of the register
DevelopmentDescription	This is blank for all sites on the register.
NonHousingDevelopment	This is blank for all sites on the register. However, apart from certain town centre sites, nearly all the sites on the register are solely for housing
Part2	No sites are currently in Part 2 of the register
HazardousSubstances	No sites in the register are affected by hazardous substances stored or use on or adjacent to the site
SiteInformation	The complex history of many previously developed sites in Walsall means that it is not possible to provide further information on a single web page
